

### Message from Mr. Ohshiro

Global Sales Contests Benefit Every Independent Distributor

I want all Independent Distributors to benefit from global sales contests. To help build excitement for the 50th Anniversary Celebration in Okinawa next June, 6A and above distributors can now earn a daily and monthly bonus prize in the new Welcome to the Enagic Road/Way global sales contest I created with support from my talented team at Enagic. This major 50th anniversary campaign began on October 1 and runs to March 31, 2024.

Here are some key points to know about the Welcome to the Enagic Road/Way global contest:

- Daily bonus (up to \$5,000)
- Monthly prize (up to \$30,000)
- This replaces other global contests, except for the Daily 8-point Accelerator Contest, which continues for 1A to 5A.
- First-ever handicap calculation allows for small groups (6As) to compete with large groups (6A2-3s and above).

1A to 5A can also earn a bonus from the Daily 8-Point Accelerator Contest, which runs through October 31. Win up to \$1,500 every day this month as one of the Top 20 contest achievers. Use teamwork and leverage the power of Enagic's patented 8-point compensation plan to help your new downline distributors to thrive and rank up. In addition to Kangen Water® ionizers, Ukon Sigma counts for 1 sale in this contest and Ukon DD equals 1/3 sale. E8PA Card special sales also count, ranging from 1 sale for a Bronze E8PA card to 8 sales for a Black E8PA card.

Being an Independent Distributor is rewarding, but can take hard work. Stay hydrated by drinking Kangen Water® and don't miss these chances to make your Enagic Dream come true!

Hironari Ohshiro
Enagic Founder and CEO

Finding Enagic was simple enough for 6A2-4 Hong Lee Meadows. She learned about Kangen Water® from her sister, 6A2-4 Thao McGill, a top leader who also lives on Oahu, Hawaii. Her first sale also came naturally, with Hong Lee selling a Kangen Water® ionizer to a nail salon coworker. However, she didn't always lead such a seamless or "fulfilling and abundant life."

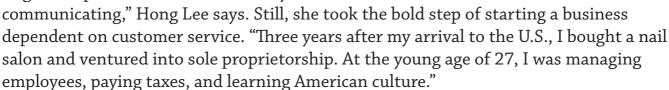

Hong Lee grew up in a rural Vietnamese farming community. "Some of my earliest memories are of my parents working long hours in the fields," she says. "I used to feel bad for our family because we worked so hard and still lived in poverty. I knew I was loved and yet I longed for more in my life." She's found it after taking many detours and overcoming repeated challenges.

"As the oldest child, a seed was planted in my heart to take care of my parents and my two younger brothers," Hong Lee recalls. "At 24 years of age, I received life-changing news that my aunty would be sponsoring me to become a United States citizen. Filled with hope and \$100 in my purse, I got on a plane to Minnesota."

Getting comfortable in a new country wasn't easy. It took years for Hong Lee to adjust. "I came to the U.S. only knowing Vietnamese and did not have a driver's license," she recalls. "For two years, I walked to school so I could learn English, many times in freezing winter weather. In spite of these beginning adversities, I was determined to make life the best that I could."

"Although my understanding of English improved, I still had difficulty

"At 29 years of age, my life was starting to get traction," Hong Lee continues. "The nail salon business was growing and I managed to purchase a home. This was a significant accomplishment in my life. That same year, one of my dreams came true when the sponsorship approval of my parents and one of my brothers was approved. Words cannot capture the joy that filled my soul, knowing that we would be reunited."

Life was better, but Hong Lee wanted more than she could find in Minnesota. "I always dreamed of rainbows and of living in a place where the mountains meet the sea," she says. "Traveling to Hawaii for what I thought was a vacation ended up being the place I met my

soulmate, John. As love has it, my family and I left the cold winters for the aloha in the Hawaiian islands to open up to yet another adventure." She opened another nail salon, which was her primary source of income until COVID-19 hit. Thankfully, the opportunity to be an Independent Distributor allowed her to "pay the mortgage, the business expenses, and survive with my family."

Hong Lee now owns two nail salons in Hawaii, which has proven to be an effective sales tool for Independent Distribution. She says, "I talk to people every day as a nail technician and I just share with them my story about Kangen Water® and all the amazing benefits."

Hong Lee started selling Kangen Water® ionizers at home, but has global ambitions. "I want to extend to all the countries," she says. "I help and train my team to do demos in person and on Zoom, explaining opportunities." Digital marketing tools like Zoom and Facebook groups allow Hong Lee to boost reach for her business, which she calls Blessed and Beautiful Water LLC.

Hong Lee has built a satisfying life for herself and her family that goes way beyond subsistence. She now has spare moments to enjoy going to the beach, hiking, fishing, and singing karaoke with her family. Pastimes like these would have been hard to picture growing up amidst struggle.

"My humble beginnings were a set up for the financial freedom and success that I have today," Hong Lee says. "I am grateful that I can give my parents the retirement they deserve and honor them for their dedication and hard work during my childhood."

#### Shaileshbhai Dhirubhai Bajaniya 6A

6A Shaileshbhai Dhirubhai Bajaniya learned about Enagic through 6A Dhanvant Ramanbhai Patel, who thought that drinking Kangen Water® would prove beneficial to his wife, who had languished for years. It's not clear whether Kangen Water® helped to reinvigorate her or not, but Parulaben Shaileshbhai Bajaniya is currently thriving. Together, the couple runs a beauty and tattoo salon in Anand, Gujarat, not far from where Shaileshbhai

was born and raised.

Running a beauty and tattoo salon and being an Independent Distributor might seem like very different endeavors, but Shaileshbhai has found some common threads. "My experience of dealing with the different customers in our beauty salon has helped me a lot to understand the customer's needs," he says. "With that experience I was able to expand my Kangen business."

Shaileshbhai sold his first ionizer to Kangen Water® user Satish Kotadia. Since then, he's steadily built his business in the face of tragedy. "Unfortunately I lost my soul, my elder brother, Ghanshyambhai Bajaniya, on January 24, 2023," he says. "I was broken down completely for about 2 months, but my goal to achieve rank 6A2-8 supported me to come back."

Shaileshbhai is now more motivated than ever and maintains several team initiatives. To inspire and educate his downline, he arranges get togethers every other day and holds group discussions. Shaileshbhai also organizes two seminars per month.

"My ultimate goal is to achieve 6A2-8," Shaileshbhai says. "For that I have to stop my involvement in our family business and dedicate my involvement to the Kangen business."

## Panayot Kirov 6A2-3

6A2-3 Panayot Kirov grew up in Bulgaria and currently lives in Bratislava, the pivotal Slovakian capital located across the Danube River from Austria and Hungary. He first trained as an electrical technician and previously ran a car rental company that was a financial success, but left his life unbalanced. "I weighed 106 kg, took blood pills for 6 years, couldn't sleep, had heartburn, reflux and fatigue," he recalls. "I had no time for myself and especially for my family and children. I had a lot of work, but also a lot of stress and

Enagic

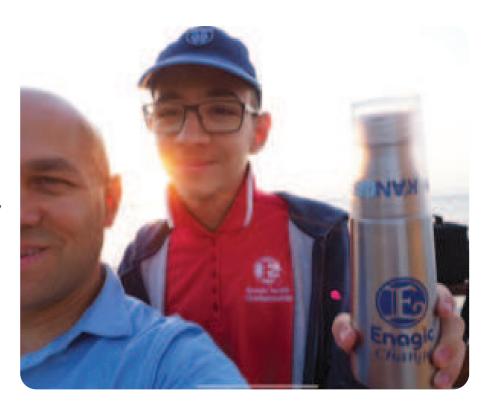

In 2012, he learned about Enagic and Kangen Water® through his friend, 4A Patrik Fabric. Panayot was first impressed by Mr. Ohshiro's mission for True Health and the "effect of Kangen Water® on me and my loved ones!" He became an Independent Distributor and sold an initial water ionizer to his lawyer, 2A Miroslava Tenzerova, but building momentum wasn't easy.

"My previous businesses taught me very good communication and that helped me a lot," Panayot says. "Most importantly I love people," an attribute that never hurts when doing sales outreach. Still, finding success as an Independent Distributor was never guaranteed.

problems!" He needed a change.

"Starting the business was difficult for me as I had many prejudices," Panayot says, recalling biases against network marketing and team building. He also had to learn English, since no translated Enagic business materials initially existed in his native language, Bulgarian. "My early years were difficult, but my big WHY overcame all obstacles," Panayot says, referring to the inspiration he found in son Theodore, who faced health issues after being born prematurely.

"It took me 5 years to change my thinking, reorganize the way I work, start helping people grow, and turn my partners into leaders," Panayot says. Finding those people proved invaluable. "The main thing we do is share our vision with the right people and show them how to do the same," he says. Panayot is still hunting for like-minded team members and explains the qualifications, "We are looking for people who love to help others, want to build teams and do it from the heart!

Being an Independent Distributor provides plenty of opportunities for freedom, a dynamic that Panayot embraces. "We can do whatever we want, whenever we want and with whoever we want," he says. "The best thing is that we are friends and partners, with positive qualities that we improve together."

Panayot and his team have accomplished a great deal as Independent Distributors, but they're far from finished. "My goals with Enagic are to help more people create leaders together and help them grow," he says. "In this way we can easily help more people tap

into this opportunity to live a better lifestyle."

Personally, Panayot hopes to achieve a 6A2-5 rank and developed a strategy for how to do it, which includes periodic

training sessions, in-person and online meetings. "The training is all different and important," he says. "Perhaps one of the most important is the motivation and support of the leaders!"

Panayot is grateful to many people who have helped him and his team to succeed, including:

- Partners in Bulgaria, Slovakia and the Czech Republic: "We achieved this success together!"
- Sponsors 6A6-4 Nathalie and Claes Sorensson "who were there for me whenever I needed their help"
- The teams at Enagic offices in Dusseldorf and Rome "for their help and support over the years"
- Mr. Ohshiro: "for starting Enagic and for giving people like me the opportunity to be a part of your noble mission and compassion to help people live a better lifestyle!"

"This is the best family business I know," Panayot says. "I thank my family for their support, the wonderful people I am surrounded by, my assistants and all the difficult moments that helped us grow together. "

Panayot remains "very excited and grateful" for his 6A2-3 rank and for being able to sell "the best water ionizers on the world market." He says. "I am happy to be able to spread the idea of good physical, mental and financial health and help more people through Kangen Water<sup>®</sup>."

### Christopher Huang 6A2

6A2 Christopher Huang wanted more for his family.

The Malaysian Independent Distributor worked as a salesman and had four kids and struggled to earn a living. "With a tiny salary and tight financial condition, every month was just enough to feed a family and pay the debt on credit cards," he says. "I was trying to earn extra income from other sources but ended up with wasted money and time." Thankfully, "childhood brother" 5A Johnson Liaw Yong Sing invited him to attend a Kangen Water® demo at his sister's house with 6A2 Jillian Yien Ling Ling in 2019. They introduced Christopher to Independent Distribution and changed his career trajectory.

"I was so impressed with the Kangen Water® machine and the business," Christopher says. Even though his family was still in a tough financial condition, they still saw the benefits and committed to buying a Kangen Water® ionizer. They started drinking Kangen Water® and quickly built confidence in the product and in Enagic's patented 8-point compensation plan.

"I started bringing my leader, Jillian, around together to introduce the business to my friends and clients," Christopher says. "While I leveraged her strength, I started learning from her and started to do it by myself. Without giving up, I kept improving on my presentation. Then partners came in after following up by finding their needs."

"In the Enagic business, I learned how to be a Better Me," he says before sharing findings.

- "Be willing to learn, be willing to grow and never limit ourselves."
- "Be grateful and appreciative to the people who helped us, as they can choose not to help us."
- "Friendships that are built with the Enagic family are priceless."

Christopher is grateful to all of the people who have supported his Enagic journey, beginning with his wife, parents and siblings. "Thanks to Enagic founder, Mr. Ohshiro, for giving such a wonderful product and business opportunity to all of us," he says. Thanks to all my leaders, 6A2 Leon Liaw & Lily Liaw, Jillian, 6A6-4 Chin Shaw Fung & Liesl Tia Kok Shun and my business partners and customers who trusted me while building this Enagic business together."

Independent Distribution has finally brought Christopher and his family True Health. "Now I can spend time with my family and have chances to bring them for vacation," he says. "I'm so glad that I made it here and am still going on and on with the support of the team. This wouldn't be possible without your support. Let's grow deeper and bigger together. See you all at the top!"

# Enagic Indonesia Celebrates Jakarta Showroom Grand Opening

On August 12, Enagic Indonesia welcomed 110 Independent Distributors and prospects to their Jakarta showroom at Sona Topas Tower in the capital city's business district. The event continued to spread the branch's mission for bringing "True Health to the World."

Enagic Indonesia Branch Manager Widia Hartono and top leaders began festivities with a ribbon-cutting ceremony. 6A10-4 Triadi Joko Cahyadi, the event's MC, then hosted an awards ceremony for two Daily 6A and Above Group Support Contest Achievers: 6A4-5 Teddy Hendryana and 6A4-4 Wikan Handono. Three Independent Distributors who recently ranked up shared their July experiences from the Enagic 49th Anniversary Global Enagic Convention in Las Vegas: 6A4-5 Teddy Hendryana, 6A2-4 Oce Tony and 6A4-3 Diparama Malano.

As a symbolic gesture of gratitude and togetherness, Mr. Hartono led a tumpeng-cutting ceremony. A tumpeng is an Indonesian ceremonial dish that features a large cone of rice surrounded by assorted vegetables and meat, which everybody shared during a group lunch.
