Sylwia Swider, Poland**

**“Passion is a force that can elevate entrepreneurs and salespeople to leaders. My challenge to you this year is to dig deep and find strength and drive that empowers yourself and your team members to share Kangen Water<sup>®</sup>, change lives and become the best versions of yourselves.”**

**Hironari Ohshiro  
Enagic Founder and CEO**

# Message from Mr. Ohshiro

## Replenish Your Spirit and Communicate Kindness at Every Opportunity

Dear Enagic Global Distributors,

Spring is a time for renewal. Each year, I look forward to celebrating my birthday on March 17 with my wife Yaeko, my family, and the countless people who have become important to me over the years, including the Enagic community. Interacting with you in-person, over the phone and online helps to replenish my spirit and motivate me.

Receiving updates from Independent Distributors across the world continually reaffirms what we're capable of accomplishing if we consider one important source for our strength: kindness. Kindness and compassion help to differentiate us from other companies and guide our actions.

This year, and for the rest of our lives, I encourage you to communicate kindness whenever possible. When people walk into office lobbies and we greet them, when users and Independent Distributors call customer support or email their concerns, please be kind. When people need help processing orders or finding a commission check, make them feel respected and welcome. People remember how they're treated. We of course strive to have the best products possible, but that's not enough to develop a giving, compassionate culture.

We have a lot to look forward to, including the company's 50-year anniversary celebration at Okinawa Arena on June 22. I hope to see you in Okinawa, my home. I'll be sure to greet you with kindness and of course bottomless Kangen Water®.

*Hironari Ohshiro*  
Enagic Founder and CEO

# Change Your Life Story

**6A2-2**

**Sylwia Swider**

6A2-2 Sylwia Swider grew up in Canada and worked as a police officer in Toronto for over a decade before relocating to Poland. In her adopted country, 6A Iby Gyorgyjakab introduced her to Enagic and Kangen Water® and it didn't take long to commit to Independent Distribution.

“After trying the product I felt amazing,” Sylwia recalls. “I started sharing the benefits with everyone and the fact that I was able to make money helping people appealed to me.” She’s worked closely with upline 6A Alexandru Kiraly and her team to thrive.

In her previous experience as a police officer, she “loved helping people.” Sylwia says, “My career gave me the confidence and experience working with people to perform as a distributor.”

Sylwia first sold a Kangen Water® ionizer to her parents. She’s continued to grow her thriving business using Zoom, WhatsApp, social media and in-person demos. Given Sylwia’s comprehensive approach, it’s evident that her business has not peaked. Far from it.

She is clearly driven to succeed, but Sylwia does make time for exercising, practicing yoga, biking, walking and traveling, which help her to relax and have fun when she's not working.

Sylwia remains focused on the future. "My plan is to build the largest team of 6A leaders in the world," she says. "I am working on this full time and will achieve this by continuing my marketing and advertising on social media. My mission and goal is to help people live healthier lives and to allow them to have more time to spend with their families by taking advantage of this program."

# India Distributor Profile

**Sonu Nagori**

**6A3-3**

In 2020, 6A3-3 Sonu Nagori and her husband met with 6A2-2 Hemraj Ji to better understand Independent Distribution and to experience Kangen Water® for the first time. The product and Enagic's patented 8-point compensation plan were convincing, so Hemraj introduced Sonu to 6A2-5 Nageshwar Shukla Ji. Sonu now runs her thriving Independent Distributor business, which she calls Hiya Sales Corporation, in her home city, Udaipur, Rajasthan.

Sonu studied at Gujarat Arts and Science College in Ahmedabad and has been “working for women empowerment for the last 10 years,” focusing for the past 5 years on direct sales.

She made her first four sales to 6A2-2 Lakhan Chaudhary, 6A2 Rajendra Kumar Dhankhar, 6A2 Mukesh Mali and 6A2 Gunjan Jain, who she now considers the “super star leaders of our team.”

“I want to develop Enagic business worldwide,” Sonu says, and her team started at home. “Everyone knows that India is a very big country so we made 4 zones for future development. Simultaneously we are developing overseas as well.” They plan activities accordingly by zone.

To maintain momentum and grow, Sonu has developed many methods to communicate with, educate, and motivate her team, which they named Team Victory Global:

- Zoom Meetings
- 3-hour ACP (Achiever Celebration Program)
- 1-day DTP (Distributor Training Program)
- 2-day RVDP (Residential Vision Development Program)
- 3-day RTP (Residential Training Program)
- 3-day LDP (Leadership Development Program)

Sonu keeps a full schedule, but does take occasional moments to recharge. “I feel very relaxed when I am with my family,” she says. “I like to travel with family and friends.”

# Canada

## Distributor Profile

**Noemi Sonio**  
**6A**

6A Noemi Sonio first learned about Kangen Water® through social media. She found inspiration in Enagic’s patented 8-point compensation plan and still views Enagic as “such a generous company.” Noemi committed to becoming an Independent Distributor, which has been a fruitful decision.

Noemi is originally from the Philippines and currently lives in Fort St. John, a small city in the northeast part of Canada's British Columbia province. She earned a Nursing degree and worked three jobs as a single mom to support her family. She didn't have any network marketing business experience, but completed the Trifecta, combining a Kangen Water® ionizer with Anespa and Ukon Sigma to convert an impressive first sale. That was the first of many successes she's experienced as an Independent Distributor.

Noemi has big plans and regularly takes steps to achieve her goals. She hosts Zoom meetings and one-on-one meet-ups to educate and inspire team members. In the future, she hopes to continue to reach rewarding sales goals and also has high hopes for her team. Noemi says, “I will continue sharing this best business opportunity to others while achieving mine.”

# USA Distributor Profile

**Jannet Virgil**  
**6A**

6A Jannet Virgil's Enagic journey began with an unexpected Facebook message from a stranger who simply wrote, "Hi." Jannet was intrigued by this chat with 6A2 Michelle Manansala and embraced the opportunity to become an Independent Distributor.

Jannet grew up in Bohol, an island province surrounded by over 70 smaller islands in the central Philippines. She currently lives in San Diego, California, which is where she married her husband and started her family.

She earned a Business Management degree in the Philippines. She previously operated an online business for over a decade that involved reselling and exporting items purchased in local stores. She has also been involved in other network marketing companies, but Jannet says, "When I joined Enagic I shut down my other business so I could give my 100% focus."

“My previous business helped me learn how to communicate with clients,” Jannet explains. “I also learned how to be very self motivated and have dealt with a lot of stress with the ups and downs that come with running a business.”

Jannet made her first sale to a church friend and nurse, 4A Libby Lim, who purchased the Trifecta: Kangen Water® ionizer, Anespa and Ukon. She’s continued growing her business.

Growth requires coordination. “I have business partners in different parts of the world,” she says. “I do virtual meetings with them regularly and have them use all the tools provided by Enagic.”

Jannet has big hopes for the future, and not just for herself. “My goal is to reach a passive income to support my family and ministry at church,” she says. “I know that success comes with hard work and dedication, as well as helping my team to keep learning and giving their best to the business. It will pay off in the future.”

## Enagic Malaysia Celebrates Outstanding Achievements at Enagic Awards 2024

Enagic Malaysia held their Enagic Awards 2024 on January 13 at the Petaling Jaya Hilton Hotel in Selangor. The gathering honored and celebrated outstanding achievements from dedicated Independent Distributors. Participants traveled from countries like Australia, Cambodia, India, Singapore, Vietnam, and the United Kingdom. The event was also a great opportunity to bring people in the Enagic family together to learn about Enagic's vision, history, products, and business opportunities, all aimed at realizing True Health.

In the morning session, special guest speakers presented info on products and business opportunities:

- 6A7-3 Saifol Mualim shared detailed insights into the benefits and business opportunities with Kangen Water® ionizers, as outlined in Enagic's patented 8-point compensation plan.
- Angeline Song, Enagic Ukon Asia Manager, provided an extensive overview of Ukon, emphasizing the product's benefits and business potential.
- The emGuarde support team explained emGuarde's benefits and potential for business growth. Enagic recognized David Chang as emGuarde Product Specialist and Simon Loh as emGuarde Demo Master.

In the afternoon session, Go Hamagawa, Enagic Europe General Manager, delivered a speech about Enagic’s True Health principles: physical health, financial health, and peace of mind.

The Global Contest Achievers Awards highlighted Enagic's global reach, while the Top Sales Achievers Awards recognized efforts from local Malaysian distributors. Special Acknowledgement Awards expressed gratitude to workshop organizers who showcased dedication to empowering others in Malaysia.

The FOTE Sharing session had a discussion style format that allowed participants to hear inspiring True Health stories, from ordinary to extraordinary, kickstarting their journey towards success.

6A2-3 and above leaders sponsored prizes for the Lucky Draw, bringing joy to many participants. 6A2-4 and above leaders also shared valuable insights with the audience during this session.

Enagic Malaysia also warmly welcomed members of Enagic’s global management team to the Enagic Awards 2024, including Go Hamagawa (Europe), Sho Takeshima (France), Jim Wong (Hong Kong), Widia Hartono (Indonesia), Kent Liew (Singapore) and Kenya Tanaka (Thailand). Enagic (Malaysia) Sdn Bhd Branch Manager Shermin Lam also extended heartfelt gratitude for his team’s dedication and passion.

エナジックハイ(ロード)へおめでとう!!
