Going Strong!**

**International Staff and Local
Distributors Celebrated Enagic's 49th
Anniversary in Okinawa on June 21**

“Be the wellspring of enthusiasm and focus that your customers and team can see. Be that force, every day, that turns a challenge into an opportunity. Believe in yourself. Power through the challenges. Breeze through the successes. Smile a little more each day and good things will come back to you and your business.”

**Hironari Ohshiro
Enagic Founder and CEO**

Message from Mr. Ohshiro

A Thriving Enagic Calls For Global Celebrations

On June 21 in Okinawa, we celebrated Enagic's 49th Anniversary with international staff and Distributors from Asia. Next month in Las Vegas, we look forward to a much larger event with thousands of people at The Mirage.

Here are some of the reasons why Enagic is thriving.

1. **Engaged Enagic Independent Distributors:** In the past year, 6A2-7 Dang Nguyen became the third -7 in Enagic history. This is an amazing testament to their dedication and productivity and a sign that more leaders are poised to rank up soon!
2. **Unwavering Commitment to Quality and Craftsmanship:** Our company-owned manufacturing facilities in Osaka and Okinawa, Japan, are where we produce Kangen Water® ionizers and the Anespa DX shower unit using superior materials, components, processes and craftsmanship under the guidance of skilled engineers and technicians.
3. **Kangen Water®:** The best alkaline water in the world, antioxidant rich Kangen Water®, is only made by Enagic Kangen Water® ionizers.
4. **Kangen Ukon®:** Ukon supplements, soap, and tea are made from turmeric grown by local farmers in Okinawa according to strict quality and purity standards.
5. **E8PA (Enagic 8 Prosperity Association):** This must-have membership has amazing benefits including Enagic event and travel reimbursement, tuition reimbursement, points donatable to your downline, use of E8PA facilities, discounts and more.
6. **8-Point Compensation Plan:** Anyone who purchases a product can participate in our marketing plan which pays substantial bonus awards to new and veteran distributors alike.

The future will be brilliant beyond compare at Enagic! Keep the momentum going to continuously achieve at least 25,000 units sold, month after month! Focus on scheduling more meetings, seminars, water demonstrations, phone calls, Zoom calls, events and more. Share Kangen Water® with everyone. Keep moving and maintain a positive attitude because people need your enthusiasm and leadership, especially in challenging times. Most importantly, keep your bottle of Kangen Water® with you at all times!

Hironari Ohshiro
Enagic Founder and CEO

ENAGIC 49TH ANNIVERSARY GLOBAL CONVENTION

2023 • LAS VEGAS

Enagic Celebrates 49th Anniversary With Global Convention in Las Vegas

Enagic welcomes Independent Distributors and top leaders from across the world to Las Vegas for the company's 49th Anniversary Global Convention. Our latest convention takes place at The Mirage Hotel right on the Las Vegas Strip from July 17-19, 2023 and is sure to be exciting.

A series of compelling meetings, training sessions and presentations will take place in rooms named for Caribbean islands like St. Croix, Barbados, Bermuda, Martinique, at St. Kitts. Larger gatherings will fill the hotel's grand ballroom. The event's agenda includes a performance from taiko drummers, an opening speech from 6A16-5 Daniel Dimacale and presentations from Independent Distributors like 6A3-7 Dang Nguyen, 6A2-5 Balazs Kardos and "dynamic duo" 6A4-5 Darren Ewert and Mike Dreher (who appeared on the May 2023 E-Friends cover). Guests will also enjoy a 6A2-3 & Above Recognition Ceremony, a raffle and can dance to a live DJ.

The program will also include a 6A2-6 and Above panel discussion titled “The Secret to Enagic Business Success,” which will showcase collective wisdom from the following leaders:

- 6A14-7 Cynthia Briganti
- 6A12-7 Romi Verdera
- 6A9-6 Jayvee Pacifico
- 6A12-6 Eli Dafesh
- 6A12-6 Jillina Dafesh
- 6A4-6 Tan Nguyen
- 6A2-6 Diem La
- 6A7-6 Sam Sia
- 6A5-6 Cora Loh

Enagic Founder and CEO Hironari Ohshiro is set to deliver the closing speech, which is sure to be memorable, and rumor has it that he may even join his grandson for a musical performance.

Enagic Europe Celebrates 15th Anniversary With Momentous Event in Germany

1,500 revelers celebrated Enagic Europe’s 15th Anniversary with a momentous event on May 19 & 20 at Maritim Hotel Düsseldorf in Germany. Enagic Europe continues to thrive and expand as Independent Distributors build momentum. Their coordinated efforts, combined with increased interest in holistic well being, have resulted in a recent spike in sales.

According to April Maniacup, of the Enagic Europe GmbH Marketing Department, “EU has proven to be one of the most stable economic regions of the world, making it conducive for businesses to grow and flourish. It also has a diverse culture, which is a breeding ground for different ideas and niches. Europe also has a strong track record in its commitment to health, wellness, and sustainability, which makes it a great hotspot in making a business like Enagic successful.”

Independent Distributors and top leaders gathered from across the globe in a state of the art facility that included an interactive pop-store that showcased Enagic products and a personalized QR code registration process. Enagic Europe made sure to be inclusive during the two-day event, breaking down linguistic barriers when possible. Many speeches were in English, but organizers translated the program into seven languages: German, French, Italian, Spanish, Romanian, Bulgarian, and Vietnamese. This commitment to accessibility enabled guests from various countries to fully engage with the presentations and connect with the content on a deeper level.

33 speakers captivated, educated and inspired the audience with their unique perspectives and insights on a range of topics over the course of two days, demonstrating why the Enagic Europe community's commitment to excellence and innovation has exceeded all expectations.

- 6A2 Lianne Vroegh and 6A2 Lisa O MacDowell: "Falling in Love with Enagic's Mission and Leading with your Heart"
- 6A2-4 Daniel Romascanu: "Don't Stop, Push Harder, Keep Going: the Importance of Motivation"
- 6A2 Alexandre Jurado Servilha: "Leading with Massive Action: Building a Global Team through Persistence, Confidence, Respect, and Gratitude"
- 6A Francesco Bincoletto + 6A Luca Casella: "Helping Thousands of Young People Discover their Own Potential through Enagic Opportunities"
- 6A14-7 Cynthia Briganti: "The Real Secret of my Success Through Enagic"
- 6A5-3 Colten Echave: "From Zero to Hero: My Journey to Enagic Success"

The program also featured a series of corporate training sessions covering a range of subjects such as 6A and UP Compensation, UKON, and EWS and Compliance. The event culminated by recognizing over 200 Independent Distributors who achieved remarkable milestones during the qualifying period from January 2021 to April 2023. This awards ceremony highlighted the hard work, perseverance, and success of these individuals, inspiring others to strive for excellence. Hironari Ohshiro, Enagic's esteemed Founder and CEO, graced the guests with his presence, further motivating and inspiring attendees with his words of wisdom during a speech.

"Enagic Europe's 15th Anniversary event was a resounding success, capturing the essence of the company's commitment to excellence, innovation, and community." April Maniacup said. "The event showcased the remarkable achievements of Enagic's Distributors, provided a platform for valuable knowledge sharing, and reinforced the company's vision for empowering individuals on their entrepreneurial journeys. Enagic Europe's dedication to delivering an unforgettable experience further solidified its position as a leader in the industry."

India Distributor Profile

Rashmi Ranjan Pradhan

6A2

6A2 Rashmi Ranjan Pradhan grew up in Gopinathpur Sasan, a village that's part of the Kendrapada District in Odisha, an eastern Indian state on the Bay of Bengal. He currently lives in Bhubaneswar, Odisha's capital that's known for housing approximately 700 temples.

In June 2020, 6A3-4 Sudesh Ravi Malik introduced Rashmi to Enagic and Kangen Water®. Rashmi Ranjan called and requested Sudesh's support in purchasing a Kangen Water® ionizer and working as an Independent Distributor under his guidance. "After several discussions with him, I was able to purchase my machine (SD501 Platinum) on July 9, 2020," Rashmi Ranjan says. "Now he is a God's gift to me. I feel proud to have not only an upline, but a well-wisher like him."

Rashmi Ranjan completed his post-graduate studies at Manipal University, specializing in Marketing, before working as a media sales professional for 14 years. He rose through the ranks to become Regional Business Head for a leading media house, but found Independent Distribution a more impactful path and made the switch. "If this machine is required for me, it must be required by every

human being," he says. "So I have taken this fantastic opportunity."

Rashmi Ranjan's past experience has proven invaluable. "Being a media sales professional, I have good expertise in sales, marketing and promotions," he says. "During my career I have been able to do some high-value business for my company, with so many leading jewelry brands, real estate companies, educational institutes, spice companies, etc." Being able to communicate with so many different types of people has been vital as an Independent Distributor.

He sold his first Kangen Water® ionizer to 6A2 Pratyush Ranjan Mahakul, who owns a real estate company. After Rashmi Ranjan learned Pratyush's business was struggling during the pandemic, he explained the opportunities available to him as an Independent Distributor. "He grabbed this opportunity in just 2 days," Rashmi Ranjan recalls. "He bought 3 machines for his family and now he is doing this business fantastically."

"My short-term goal is to achieve 6A3-3 very soon and will achieve the top rank in Enagic, -8, in the future," Rashmi Ranjan says. To achieve these goals, he plans to focus on personal development in four primary areas:

- Communication Skill
- NLP (Neuro-Linguistic Programming)
- Probing
- Rapport Building

To help support and motivate his team, Rashmi Ranjan is currently organizing six notable initiatives.

- "Weekly online Meetings and Monthly offline Meetings with my top of the line (4A and above) serious distributors"
- "Weekly offline seminars for new prospects (product demos with business opportunity discussion) in various parts of my state"
- "Quarterly RTP (Residential Training Program) in different parts of India"
- "Annual Mega Recognition Programs in different parts of my state"
- "Continuously educating and motivating my team through some self-help books and some national-level trainers"
- "I am always focusing on my Team's DWG (Daily Working Goals) and PDA (Primary Daily Actions)"

With all of the effort that Rashmi Ranjan is putting into personal improvement and team building, it may seem like spare time is unrealistic. Yes, it's true that even when he's not technically "working," Rashmi Ranjan still reads self-help books, watches YouTube videos, conducts Google research and speaks by phone with "successful people in their respective fields" to get additional inspiration, but he also carves out time to play with his 7-year-old son and listen to music.

"I was born into a poor family and I had a dream from my childhood to become rich and to become the last poor generation in my family," Rashmi Ranjan says. "I am sure through this Enagic opportunity I will 100% fulfill my childhood dream."

India Distributor Profile

Dev Narshibhai Topiya

6A2

6A2 Dev Narshibhai Topiya was previously involved in an import export business that operated in three countries. 6A3-3 Sanjay Sondagar Introduced him to Kangen Water® and Dev bought an ionizer for home use in 2019, but reconsidering his career took additional convincing. Enagic India celebrated their fifth anniversary in New Delhi six months later and Sanjay insisted that Dev join him. This proved to be a fateful decision. “I realized this is the biggest opportunity for me,” Dev says. He became an Independent Distributor in February 2020.

Dev was born in Magarwada, a small village in Gujarat. He comes from a farming family. After completing Class 10 at a government school, he moved to Rajkot, a Gujarati city with 2 million residents, to further his education, earning his Master’s degree in Management in Education, which has proven useful in expanding his business.

Five key learnings have also helped his efforts.

1. To do any work continuously.
2. Always work with a bigger vision.
3. Always learn to grow the business.
4. Infrastructure is very important to grow a business.
5. Love work so much that you are never lazy.

Dev sold his first Kangen Water® ionizer to 6A Bharatbhai Sorathiya, who has been involved in the computer hardware and software business for 15 years. Bharatbhai decided to join Dev as an Independent Distributor after learning about Enagic's patented 8-point compensation plan.

Dev's future goals include making all of his team members "achievers," explaining, "In this business their win is my win." He's confident this is possible if they follow a six-part system:

1. Super 30 Days – "This is a 30-day digital training program initiated by 6A2-4 Nageshwar Shukla for his distributors where they conduct online training which mainly includes learning about how to develop/grow the financial planning, business relationships, and moral relationships while doing the business."

2. Sanjivani - "This is a three-hour program with an introduction into Enagic products with its various benefits for the new guests, who can turn into potential Independent Distributors."

3. Leadership Development Program - "This online program includes learning about business development and team building."

4. Prashikshan – "This is a Hindi word which means 'training.' It's a one-day training program conducted for business learning, motivation, recognition of team members, etc."

5. RTP and OTP – RTP stands for "Residential Training Program" and OTP stands for "One-day Training Program" "These programs are conducted to motivate the team members, recognize the

rank achievers and share success stories on this platform."

6. Parivartan - This Hindi word means 'change.' Parivartan is a program created in which the training topics are covered for the participants like business training, motivation, team building, etc., which helps to keep the distributors educated and consistent in the business. It is conducted under the leadership of senior distributors and contributions from all respective distributors among their teams."

Dev acknowledges that activities can be fun, but finds “relaxation is not always needed when Nageshwar Shukla is on your team.” He’s referring to a “great mentor,” 6A2-4 Nageshwar Shukla, who is still “working 20 hours a day despite being 6A2-4.” Dev further explains, “Nageshwar’s energy is an example for us that there is never rest in business.”

He also credits Nageshwar with designing Super 30 Days, a program he and his team use. Dev says, “The Super 30 Days program has worked to sustain me for three years in this business.”

Dev’s family has also had a profound impact on his life and career. “I will always be grateful to my parents for getting me here,” Dev says. “In this business I had great support from my wife, Reena Topiya. My younger brother, 5A Hardikbhai Topiya, also had great support from my whole family. And a heartfelt thank you to everyone in the Last Power of Unity family.”

Enagic®

ENAGIC IS SPONSORING **ANGELS BASEBALL** IN 2023!

As part of this historic agreement with the Angels, K8 Kangen Water® ionizers will be available at designated areas around Angel Stadium to help fans stay hydrated!

The sponsorship also includes a massive LED Enagic sign in right field, a radio ad, and two Enagic booths for sampling and promotions!

India Distributor Profile

Manjit Singh 6A2

6A2 Manjit Singh grew up in Dabra and still lives in this village that's not far from India's capital city, New Delhi. He learned about Enagic through trusted upline 6A Kapil Kumar and 6A Sanjiv Kumar, who convinced him to take interest in Enagic, which Manjit calls a "futuristic business." Manjit sold his first Kangen Water® ionizer to 6A Rajesh Kumar and continues to build momentum as an Independent Distributor while growing a robust team.

Manjit previously worked as a managing director for a pesticide company, which indirectly helped to prepare him for life as an Independent Distributor.

To accomplish ambitious goals for his team, Manjit currently maintains three key initiatives.

- 1) "Demos with my team"
- 2) "Training sessions with my core leaders, to expand the growth of my team"
- 3) Seminars

Manjit's current target is to earn a 6A2-3 rank in 2024. He's simultaneously working with 14 pillars of his team to eventually make them all 6A2-8.

India Distributor Profile

Manoj Tiwari 6A2

6A2 Manoj Tiwari grew up in Dewas, in India's central Madhya Pradesh state, and has lived in Indore, a nearby city with 3 million people, for the past 20 years. He earned a marketing degree and MBA from a local university before focusing on sales, a profession that helped him develop the "communication skills" that have enabled him to excel as an Independent Distributor.

He initially discovered Enagic through 6A Jagdish Sharma. Manoj sold his first water ionizer to 5A Sonal Jain and continues to build on that early success as an Independent Distributor.

Manoj continues to motivate his downline with daily Zoom meetings. His hope is that if they can achieve joint success, he can follow through on his long-term goal to benefit the world, which is to build a "big old age home for poor people on 20 acres of land with lots of greenery."

Romanian Independent Distributor Describes Memorable Enagic Tour in Japan

6A2-4 Daniel Romascanu joined other Romanian Independent Distributors in touring Enagic's Kangen Water® Factory in Osaka, the company's Tokyo office, and E8PA Headquarters in Okinawa, where Enagic Founder and CEO Hironari Ohshiro made a speech.. He returned home to Italy, where he currently lives, calling the communal Japanese experience a “dream come true” and describing their memorable experiences in glowing terms.

“It is difficult to put into words the experiences, feelings, and emotions that we all went through on this journey. The journey from Japan was one-of-a-kind, even transformative.

Our soul rejoiced, especially because of the respect and attention given to the individual, as well as the advanced technology and the life felt at its highest point.

Mr. Ohshiro and his wife most impressed us with their humbleness and compassion for people, as well as the warm attention they paid to us when we met. And the kindergarten children's celebration left a lasting impression on all of us.

We all learned what the Enagic company's true mission is, as stated by Mr. Ohshiro himself. Among these, we could touch the meaning of the word Kan-gen, which means to receive and to return.

The Enagic company's mission is embedded in my soul and resonates at the highest levels, allowing the distributors to recommend Kangen devices and products more openly and easily in the future.

We were impressed with everything Enagic stands for, ESPECIALLY in Okinawa, from the employees, the factory, the turmeric farms, the golf course, to the trees planted in gratitude - it's amazing to see how a tree comes to life and expands its branches - for achieving a 6A2-3 rank.

We thank the Universe for this wonderful Enagic family and the opportunity to be a part of it!

We thank the Ohshiro family with respect, gratitude, and love for their humanity and for providing us with physical, financial, and spiritual health.

Monica, Robert, Tina, and the entire Enagic team deserve our gratitude, respect, and love.

Kangen Water®, thank you for making all of this possible! Domo arigato gozaimasu!”
